5:56 pm thestacyface If I come to the first half of daytime #sachat and the second half of the evening session, does that count as full participation?

5:56 pm reyjunco Am trying to focus on finishing two presentations (one for #fye10) during #sachat... will pop in as the ADHD kicks in

5:57 pm debrasanborn New to #sachat? <http://bit.ly/933CiQ>

6:05 pm debrasanborn @lynnellison Welcome to #sachat

6:05 pm ARL275 we're here for you Allie! RT @debrasanborn: @ajs86 Welcome Allie! (Poor girl has the misfortune of working in MY office!) #sachat

6:05 pm princeje Woot! I'm super pumped for #sachat

6:06 pm debrasanborn RT @The_SA_Blog: MOD: New to the #sachat? Stand up and introduce yourself

6:06 pm cdorso Hey all! Chris D'Orso, Assistant Director of Admissions at Stony Brook University in NY. RT @The_SA_Blog: MOD: New to the #sachat?

6:06 pm lynnellison Hi! Lynn from Austin, TX. Work for a private student housing company now, but 12+ years of traditional res life experience. #sachat

6:07 pm slhealy Not new to the chat, but I'm Shannon, grad assistant in Housing and Res Life! #sachat

6:07 pm debrasanborn We will chatting about professional development for staff today. #sachat (Why wasn't Super Bowl a topic/)

6:07 pm ardith_laverne Hello! Ardith from Seattle, WA; entering #studentaffairs as a grad student this fall. #sachat

6:08 pm princeje Welcome @cdorso and @lynnellison! #sachat

6:08 pm kristendom I joined late last week, but I haven't introduced myself -Kristen Abell, Assoc. Director for Res Life at University of Missouri-KC #sachat

6:08 pm pereirap80 What's up #sachat? Stopping by for a couple of mins then I'll be observing

6:09 pm debrasanborn I'm here most Thursdays, but Debra...program director in dean of students office, Iowa State. Hello! #sachat

6:09 pm jkilmer #sachat: My question is how beneficial do you find conferences to your prof. dev. if you are NOT entry-level or new to field.

6:09 pm bryan_koval @ardith_laverne Welcome! Glad to hear you are joining the field! #studentaffairs #sachat

6:09 pm debrasanborn @kristendom Welcome back, Kristen! #sachat

6:09 pm AndreaHart Hey folks, sorry for clogging your feed but I'm #sachat -ing it up w/ my #studentaffairs Twitter friends!

6:09 pm ajs86 My first week joining, thanks for the welcome @debrasanborn @ARL275 Allison Severson, GA with Hixson awards/ NSE #sachat

6:09 pm lvanlysal Do most of U feel that your professional development is self-directed, or do U look to a supervisor/organization to give you a plan? #sachat

6:10 pm bryan_koval @jkilmer I find really focused institutes to be really meaningful for me. Broad conferences are OK, but I prefer an institute feel. #sachat

6:10 pm debrasanborn RT @jkilmer: #sachat: My question is how beneficial do you find conferences to your prof. dev. if you are NOT entry-level or new to field.

6:10 pm pereirap80 <--- Campus Activities @ Texas A&M University-San Antonio #sachat

6:10 pm kristendom @jkilmer I think it depends on the conference focus - I tend to use more general SA conferences for networking instead of learning #sachat

6:11 pm AndreaHart Hey folks! I'm Andrea, Student Activities extraordinaire at the University of New Mexico! I am using my 1000th tweet on YOU ALL! #sachat

6:11 pm Ivanlysal @jkilmer I think conferences are helpful if there are a number of presentations specific to my specialty from ppl I admire/respect #sachat

6:11 pm ARL275 @Ivanlysal the longer i work the job, the more self directed it is. as i find what directions i want career to move in, i look more #sachat

6:11 pm pereirap80 @jkilmer I still enjoy them alot 'cause its a great way to reconnect with colleagues that I used to work with & learn best practices #sachat

6:11 pm bryan_koval @Ivanlysal I feel that I am responsible for my professional development. But I want my supervisor to clue me into things I miss. #sachat

6:11 pm cdorso .@jkilmer For me, as an 11-year vet, it's about presenting and helping new people stay interested in the field. #sachat

6:12 pm debrasanborn RT @kristendom: @jkilmer depends on the conference focus - use more general SA conferences for networking instead of learning #sachat

6:12 pm pereirap80 @Ivanlysal I think it's a little of both but mine has been more self-directed. #sachat

6:12 pm ARL275 RT @bryan_koval I feel that I am responsible for my professional development. But I want my supervisor to clue me into things I miss. #sachat

6:12 pm shillis @jkilmer #sachat: some conferences great for PD, others not so much. But I usually come back excited and rejuvenated.

6:12 pm lynnellison .@jkilmer Conferences: I find nuggets of helpful info, but rarely anything major. But, sometimes the nuggets add up significantly. #sachat

6:13 pm ARL275 do any of your schools provide in house prof development days/ops? #sachat

6:13 pm debrasanborn RT @bryan_koval: @Ivanlysal I feel I am responsible for my prof dev. But I want my supervisor to clue me into things I miss. #sachat

6:13 pm thestacyface Conferences end up being mostly networking for me at mid-level. Still helpful, but not as much as those first few years. #sachat

6:13 pm edcabellon Good afternoon everyone, sorry I'm late! #SAChat

6:13 pm shillis @Ivanlysal #sachat I think it is both. Our institution requires 8 hrs of pd, but its my responsibility to continue to develop professionally

6:13 pm pereirap80 RT @bryan_koval: @Ivanlysal I feel that I am responsible for my professional development. But I want my supervisor to clue me into things I miss. #sachat

6:14 pm hollyrae #sachat prof. dev. issue many edus may be dealing with these days is morale, economic strain has ripple effects (can't be here tonight) :(

6:14 pm bryan_koval @ARL275 As a unit we block out every Thurs. morning for some sort of PD. Some weeks it becomes office time but PD usually happens. #sachat

6:14 pm Ivanlysal @ARL275 Our division offers about 3 opps/semester. I'm starting a large-group #sachat meeting in 2 weeks to try to fill in the gaps.

6:14 pm shillis @ARL275 #sachat my institution provides college wide opportunities, as well as various things in just #studentaffairs

6:14 pm pereirap80 @ARL275 When I was @ University of Arizona, they did in house pro dev stuff. I assume they still do. #sachat

6:14 pm edcabellon I apologize to all for the increased # of tweets over the last hour plus due to #BSCtech and #SAChat

6:15 pm kristendom @ARL275 We have in the past, although it's usually up to us to organize it - it can be a great chance to practice presenting #sachat

6:15 pm princeje I have a feeling I'll be doing a lot of observing and not a lot of chatting this week... #sachat

6:15 pm edcabellon Welcome! RT @cdorso: Hey all! Chris D'Orso, Assistant Director of Admissions at Stony Brook University in NY. #SAChat

6:15 pm AndreaHart @Ivanlysal I think my prof. dev. is a mix. My sup is great at bringing things to us but we seek out opportunities ourselves too #sachat

6:15 pm kristendom I think one way I try to provide pd to my staff is through cross-training in other offices when possible #sachat

6:16 pm ARL275 we have college-wide prof development days, usually each semester, where all admin and special projects are required to participate #sachat

6:16 pm Ivanlysal @The_SA_Blog I really think my best professional development sources are all of you. I get articles, best practices, etc #sachat

6:16 pm Ivanlysal @The_SA_Blog Also, when I schedule a random lunch with a colleague I admire I generally learn something worthwhile #sachat

6:16 pm bryan_koval @ARL275 Our HR office offers sessions but they are very basic and more admin focused. for example: "Filing the Penn State Way."#sachat

6:16 pm ARL275 @princeje observation is a form of prof developement #sachat

6:16 pm AndreaHart RT @kristendom: I think one way I try to provide pd to my staff is through cross-training in other offices when possible /YES YES! #sachat

6:16 pm edcabellon BSC SA is offering regular Staff Dvt. opportunities this semester. Today we did one on students and social media (#bsctech) #SAChat

6:17 pm shillis RT @Ivanlysal: @The_SA_Blog I really think my best professional development sources are all of you. I get articles, best practices, etc #sachat

6:17 pm edcabellon RT @Ivanlysal: Also, when I schedule a random lunch with a colleague I admire I generally learn something worthwhile #sachat #SAChat

6:18 pm debrasanborn @Ivanlysal Agreed. Twitter is my best source for information and inspiration! #sachat

6:18 pm jkilmer @shillis @ivanlysal - that brings up an interesting point. What role do conference play in prof. dev. with new social media like #sachat?

6:18 pm slhealy From the perspective of a current job-searcher: Schools that mention pro. dev. in description got a closer look, more consideration. #sachat

6:18 pm ARL275 i wish you were all closer for random lunches! #sachat

6:18 pm edcabellon Me too RT @debrasanborn: @Ivanlysal Agreed. Twitter is my best source for information and inspiration! #sachat #SAChat

6:19 pm edcabellon Twitter is the best FREE form of professional development out there, hands down, no matter what your career is! #SAChat

6:19 pm debrasanborn @bryan_koval Filing? Really? :) #sachat

6:19 pm bryan_koval @slhealy We always tried to highlight it in our search processes . . . it attracts a certain kind of candidate too. #sachat

6:19 pm Ivanlysal Now that I'm finally contributing to the profession (writing, presentations) I find that PD opportunities seem to find me. #sachat

6:19 pm pereirap80 RT @edcabellon: Twitter is the best FREE form of professional development out there, hands down, no matter what your career is! #SAChat

6:20 pm edcabellon @jmajojr Thanks, I'm a bit of a fan :-) Where do you work? #SAChat

6:20 pm bryan_koval @debrasanborn Useful for some . . . not for me, though. :) #sachat

6:20 pm JenPaulin @The_SA_Blog We do weekly article discussions as part of our staff mtg Topics range from trends - current cases/issues in higher ed #sachat

6:20 pm AndreaHart @slhealy thats a good perspective to have! ProDev DOES NOT end after grad school and jobs that promote that are ones to seek out #sachat

6:20 pm Ivanlysal @jkilmer Since I won't b attending any conferences this yr I'll follow along w the hashtags, hopefully pick up some info/connections #sachat

6:20 pm ARL275 @bryan_koval do you file the penn state way? :) #sachat

6:21 pm kristendom @Ivanlysal Definitely finding more opportunities seek me out as I engage in more presentations and such #sachat

6:21 pm pereirap80 Trying to start some PD for my campus. @CampusEcology has some webinars on #sustainability & #highered #sachat We need to talk about it more

6:21 pm edcabellon Another great form of PD is blogging. It allows great reflection and immediate sharing and feedback! #SAChat

6:21 pm AndreaHart @Ivanlysal me too about Spring conferences! I'm following all your hashtags :) #sachat

6:21 pm bryan_koval @ARL275 If the Penn State Way includes giant piles of paper all over your desk, then yes. :) #sachat

6:22 pm debrasanborn @ARL275 I file the Debra way. Which some would argue is not filing at all. #sachat

6:22 pm Ivanlysal some folks in our division are organizing a student affairs book club. I'm looking forward to that #sachat.

6:22 pm ARL275 @bryan_koval if that's true then i would fit right in at PSU! #sachat

6:22 pm NASPAtweets Balancing Your Legacy: Motherhood and #StudentAffairs: #NASPA10 prog title reminded me of @DebraSanborn's balancing soccer and #sachat :)

6:22 pm jmajojr @JenPaulin that is something I would like to start in my office. #sachat

6:22 pm slhealy @EdCabellon Good to know (re: blogging), I'm just entering that world! #sachat

6:22 pm AndreaHart @edcabellon good point about Blogging. I've asked this before but how do you all reflect after the sachat? #sachat

6:22 pm edcabellon @jmajojr Very cool! You're a BSC Bear for life! #SAChat

6:22 pm jmajojr RT @JenPaulin: @The_SA_Blog We do weekly article discussions as part of our staff mtg Topics range from trends - current cases/issues in higher ed #sachat

6:22 pm ARL275 @debrasanborn i call it organized chaos. it's a system! #sachat

6:22 pm pereirap80 @Ivanlysal Thats a good idea to follow hastags if not attending the conference. #sachat

6:23 pm kristendom RT @Ivanlysal some folks in our division are organizing a student affairs book club. I'm looking forward to that #sachat. - love that idea!

6:23 pm bryan_koval @Ivanlysal #PCPA, the regional ACPA branch for PA has done a book club the past couple of summers. Response has been positive. #sachat

6:23 pm reyjunco Twitter has definitely become a much more economical way to attend conferences in these tough financial times #sachat

6:23 pm AndreaHart NOTHING wrong w/ org. chaos. Its the #studentaffairs way right? RT @ARL275: @debrasanborn i call it organized chaos. its a system! #sachat

6:23 pm shillis RT@ARL275 @debrasanborn i call it organized chaos. it's a system! #sachat DITTO!

6:24 pm smmccracken #sachat Sorry I'm late all! Shaun McCracken VCU 1st Year Performing Arts Advisor FINALLY taking part in a chat!

6:24 pm jmayojr RT @bryan_koval: @lvanlysal #PCPA, the regional ACPA branch for PA has done a book club the past couple of summers. Response has been positive. #sachat

6:24 pm slhealy Did anything ever come of the #sabookclub idea? #sachat

6:24 pm princeje The story of my life, in two words. RT @ARL275: @debrasanborn i call it organized chaos. its a system! #sachat

6:24 pm lvanlysal @pereirap80 I learned a lot following the #educause09 hashtag. A conference I would never get funding for, but good info. #sachat

6:25 pm lvanlysal @bryan_koval Care to share the reading list? #sachat

6:25 pm DougS39 #sachat even if you are a veteran why won't conferences be fresh air, a break or a big idea summit? It should help yoru overall well-being

6:25 pm jmayojr @bryan_koval and there are plans to continue #PCPA book club. Local orgs like #PCPA offer low cost opportunities #sachat

6:25 pm AndreaHart @lvanlysal isn't #educause09 K-12? or does it include higher ed? #sachat

6:25 pm pereirap80 Do folks think presenters @ conferences are ready for audience members to be tweeting during their sessions? #sachat

6:26 pm kristendom @DougS39 I think they're all those things - it's just hard to get funding to go for those reasons :) #sachat

6:26 pm lvanlysal I like that idea - ongoing discussion, no meetings. RT @slhealy: Did anything ever come of the #sabookclub idea? #sachat

6:26 pm JenPaulin @lvanlysal I think keys to successful pd include reflection and conversation. Reading and then breaking it down together is great! #sachat

6:26 pm AndreaHart @pereirap80 I presented at NASPA last year, I was so nervous, I would not have noticed a brass band in my session... #sachat

6:26 pm bryan_koval Twitter is my favorite self-directed PD, followed closely by for-credit coursework and being on the #PCPA exec board. #SAchat

6:26 pm princeje @pereirap80 Just as ready as professors are for students tweeting during class. :) #sachat

6:27 pm edcabellon @pereirap80 I do. I think its part of the "conference" culture now, especially when theyhave dedicated hashtags! #SAChat

6:27 pm lvanlysal @AndreaHart I may have gotten the hashtag wrong, but Educause is focused on technology in higher education #sachat

6:27 pm JenPaulin @pereirap80 No, I think that most will think the tweeters are bored or just being plain rude. #sachat

6:27 pm jmayojr @pereirap80 I read once about a keynote speaker who became a trending topic at an IT conference because he was so bad #sachat

6:27 pm debrasanborn @pereirap80 Doubt they are ready, particularly #studentaffairs conf, but they should be expecting. (Only 4 of us tweeted FYE in 09) #sachat

6:27 pm edcabellon @AndreaHart I take the best ideas I took from the #SAchat and I write them down for convos with staff and possible future blogs! #SAChat

6:28 pm kristendom @pereirap80 I think many presenters still don't know what Twitter is :) #sachat

6:28 pm pereirap80 Good point! RT @princeje: @pereirap80 Just as ready as professors are for students tweeting during class. :) #sachat

6:28 pm ARL275 RT @edcabellon I take the best ideas I took from the #SAchat and I write them down for convos with staff and possible future blogs! #sachat

6:28 pm GSEHD_HEA RT @bryan_koval: Twitter is my favorite self-directed PD, followed closely by for-credit coursework and being on the #PCPA exec board. #SAchat

6:29 pm AndreaHart @pereirap80 at Naspa 4-W this year, we had a hashtag designated but there were only about 3 or 4 of us who were using it. #sachat

6:29 pm Ivanlysal @jmayojr ha, yeah. that was #heweb09 in Milwaukee. Our university hosted it :) #sachat

6:29 pm chellrene Internet is being wonky, so I can't follow #sachat today, but I am interested to see the conversation and suggestions on today's topic.

6:30 pm slhealy @AndreaHart I think I was the only one using a hashtag for 4-E. :) #sachat

6:30 pm bryan_koval @GSEHD_HEA Hey there #GWU! Please don't tell Rick he comes in 2nd behind Twitter. ;) #SAchat

6:30 pm JenPaulin @jmayojr Some like it some don't (esp the one chosen to present), but I look at it as a PD version of mandatory fun. #sachat

6:30 pm shillis we tried tweeting updates at #naca midatlantic this year. even the students weren't quite on board with that #sachat

6:30 pm edcabellon Depends on the conference :-) RT @kristendom: @pereirap80 I think many presenters still don't know what Twitter is :) #sachat #SAChat

6:30 pm jmayojr @Ivanlysal ready or not, here it comes... we have to be prepared for tweeting at confs and in class it's going to happen #sachat

6:30 pm thestacyface Ducking out of #sachat for a conduct meeting. Send good thoughts, please. Been dreading this one all day. #sachat

6:31 pm AndreaHart @shillis the students here at u of new mexico aren't really on twitter at all actually. Facebook consumes them. #sachat

6:31 pm AndreaHart @thestacyface sending GOOD VIBES. Have a better meeting this time round Stacy. #sachat

6:31 pm jkilmer @pereirap80 swiftkick calls it back chat and it is gaining momentum. Twitter is not very different in practice or in use #sachat

6:31 pm DillyTalk RT @pereirap80: Do folk think presenters @ confs rare ready 4 audience members to be tweeting during their sessions? #sachat Nope, not in UK

6:32 pm slhealy @The_SA_Blog I'll be tweeting/blogging from OPE and TPE! #saplacement #sachat

6:32 pm princeje The only issue I would have with people tweeting during my presentation is when it prevents them from interacting during the session #sachat

6:32 pm kristendom Wondering if there's a way conference moderators can do more to engage attendees in Twitter? #sachat

6:32 pm reyjunco @Ivanlysal If I'm THAT boring, then my audience SHOULD be tweeting #sachat

6:32 pm bryan_koval @AndreaHart That's the trend, really. Stats here - <http://twurl.nl/uynh12> #sachat

6:33 pm Sir108 follow @the_SA_blog for #sachat updates.

6:33 pm pereirap80 RT @reyjunco: @Ivanlysal If I'm THAT boring, then my audience SHOULD be tweeting #sachat

6:33 pm Ivanlysal International #sachat! Love it! RT @DillyTalk: RT @pereirap80: ready 4 audience members 2 b tweeting during their sessions?-Nope, not in UK

6:33 pm reyjunco @princeje You are assuming that Tweeting = not interacting during your session. Some ppl have different ways of being present #sachat

6:33 pm bryan_koval Do your programs have formalized PD expectations for student staff members? #SAchat

6:33 pm Ivanlysal @reyjunco ha, i wasn't tweeting out of boredom #sachat

6:34 pm Geralyn5 I think you need to prep yourself for it. even encourage tweeting during your presentations #sachat

6:34 pm jmayojr RT @Sir108: follow @the_SA_blog for #sachat updates.

6:34 pm princeje @reyjunco No, the only time I mind is when it prevents them from interacting, other wise I wouldn't mind. #sachat

6:35 pm slhealy @bryan_koval My grad program has monthly PD sessions, Res Life also has a second monthly session for Housing Grad Assistants. #sachat

6:35 pm slhealy @bryan_koval Undergrad students also get monthly student staff in-services. #sachat

6:35 pm jmayojr @bryan_koval i think some institutions need formalized PD expectations for pro staff before we have them for students #sachat

6:35 pm Ivanlysal @bryan_koval Our only formality is if we use PD funds to go to an event, we need to report back to our staff/supervisor #sachat

6:35 pm shillis @bryan_koval #sachat depends on the program. many of ours have intern/externships or practicum requirements

6:35 pm debrasanborn @Ivanlysal Agreed. I tweet when I want to share something. Informative or unusual. Or funny. #sachat

6:35 pm pereirap80 Do folks prefer general conferences (nasp, acpa) or more specific ones (naca, nod, acuho-i, etc)? #sachat

6:36 pm princeje @bryan_koval We only have undergrads, so no. I would love some though. Since I'm interested in the field, I get more than the others #sachat

6:36 pm jkilmer #sachat - could you not do an entire presentation via twitter? Discussions and questions just as we are having this chat?

6:36 pm AndreaHart Here's a question for the group, aside from Twitter, where do you get most of your prof dev? #sachat

6:36 pm lynnellison Tweeting during presentations could help the introverts in the room process the info and participate in the discussion. #sachat

6:36 pm ARL275 @debrasanborn me and @tomkrieglstein were the only ones at a recent #apca conf - twitter at conferences has some ground to cover yet #sachat

6:36 pm jmayojr Listening to the Mary Poppins soundtrack while reading/tweeting the #sachat

6:37 pm ARL275 i want to try this! haven't found the right forum yet. RT @jkilmer: #sachat - could you not do an entire presentation via twitter? #sachat

6:37 pm AndreaHart @jkilmer If the presenter was signed into Twitter, it could be a great way to have the audience provide questions/feedback instantly #sachat

6:37 pm bryan_koval @pereirap80 The more specific the better. #sachat

6:37 pm slhealy I'm interested if other schools allow PD funds to be used on placement conferences or just general conferences? #sachat

6:37 pm pereirap80 @AndreaHart PD sources for me: Articles, Conferences, & Blogging #sachat

6:37 pm Ivanlysal Our Division of Student Affairs is piloting a formal PD program for our student staff this semester. www.ppd.uwm.edu #sachat

6:37 pm jmayojr The fun of a res lifer - turning in a CC recipet to the budget office for lube, lube, love dice and condoms #sachat

6:38 pm JenPaulin @pereirap80 The specific ones relate more to my job, but the general ones give me better ideas for new initiatives. #sachat

6:38 pm Ivanlysal @pereirap80 I'd love a specific conference, but there's only one for my niche and it's always at a bad time - so general. #sachat

6:38 pm JenPaulin @slhealy Just general conferences. Placement is out of pocket. #sachat

6:38 pm bryan_koval @slhealy For PSU, you cannot use PD funds for placement. But, you don't have to take a vacation day either (at least for right now) #sachat

6:38 pm AndreaHart @pereirap80 you work in activities right? Can you point me towards activities resources/blogs sometime? #sachat

6:38 pm shillis @AndreaHart reading a lot! chatting with other pros, lunch with colleagues, keeping connections with previous places I've worked #sachat

6:38 pm princeje @lynnellison As an person who's prone to introversion, I couldn't agree more! #sachat

6:39 pm debrasanborn @lynnellison Definitely. Lots of research to show bulk of Twitter users prefer introversion. Great way to join discussion. #sachat #mbti

6:39 pm bryan_koval Ditto! RT @princeje: @lynnellison As an person who's prone to introversion, I couldn't agree more! #sachat

6:39 pm Ivanlysal @jkilmer Throw in a slideshare presentation & it's totally doable. Or similar 2 what @ChrisMacDen did with #livingwithHIV in Dec. #sachat

6:39 pm reyjunco Clearly , the @The_SA_Blog has never seen me present @Ivanlysal: ha, i wasn't tweeting out of boredom #sachat

6:39 pm Geralyn5 @shillis yay for connections :) and friends in the field! #sachat

6:39 pm pereirap80 @slhealy My exp has been if your helping the dept with interviewing candidates, then yes since your basically working. #sachat

6:39 pm jmayojr @slhealy all of our funds were cut, we now even have to use actual vacation time if we want to attend #sachat

6:39 pm kristendom @AndreaHart I work with our HR to provide trainings/presentations to other staff on campus - that's my presenting PD :) #sachat

6:40 pm Ivanlysal @slhealy we don't allow PD funds to be used for placement. But will cover travel if attending a corresponding conference like NASPA #sachat

6:40 pm debrasanborn RT @shillis: reading a lot! chatting with other pros, lunch with colleagues, keeping connections with previous places I've worked #sachat

6:40 pm bryan_koval @slhealy I thought you meant if you were job searching! If we are doing the interviewing, all expenses paid. #sachat

6:40 pm edcabellon @jkilmer I would use slideshare or some desktop sharing like Yugma and use TweetGrid or Tweetdeck to tweet out. It's possible! #SAchat

6:41 pm pereirap80 @AndreaHart Yup, I do...I don't know of many but when I come across some, I'll let you know :) #sachat

6:41 pm shillis @Geralyn5 awww, true. friends in the field (like G-bomb!) keep you on your toes #sachat

6:41 pm slhealy I should have specified personal job search vs. interviewing candidates. I'm interested in both answers though! :) #sachat

6:42 pm bryan_koval If there was one specific PD experience you could recommend to others, what would it be? #SAchat

6:42 pm Geralyn5 @slhealy Personal search is a pretty big no where I came from #sachat

6:43 pm debrasanborn @ARL275 Student affairs and technology, sometimes we need to play catch up...like fashion trends in the midwest. :) #sachat

6:43 pm edcabellon @the_sa_blog @pereirap80: I prefer more specific conferences. #ACUI is my prof. assoc. of choice. But I also like NASPA/ACPA also #SAChat

6:43 pm jkilmer @slhealy we will use travel budget for searches. Also will let students stay & eat on our dime so they do not incur too much expense #sachat

6:43 pm JenPaulin @The_SA_Blog I am totally going to incorporate this into my next presentation. #sachat

6:43 pm Ivanlysal Gotta skip out of #sachat to present our New Freshmen Orientation video idea to the steering committee. I'll catch up this afternoon!

6:43 pm pereirap80 For the 1st time in my career, I won't be attend an ACPA or NASPA :(But I've been approved to go to naca's HLW since it's here :) #sachat

6:43 pm AndreaHart @bryan_koval as obvious as this is, I'd tell people to attend this chat. The networking and FREE pro dev can't be beat! good energy! #sachat

6:43 pm kristendom @bryan_koval I think it would be getting involved in a professional association - and doing something different from your job #sachat

6:44 pm ARL275 i feel SO disjointed right now! working on presentaiton, chatting and students - i might have to duck out and check back in tonight #sachat

6:44 pm Geralyn5 @bryan_koval I had an awesome experience at a state level conf. as a young pro. GREAT networking and involvement. #sachat

6:44 pm ARL275 @debrasanborn don't even get me started on fashion trends!!! :o) #sachat

6:44 pm edcabellon @The_SA_Blog I'll be live tweeting from @ACUIConference at the end of February/early March and at #ACPA10 in March! #SAchat

6:44 pm debrasanborn I usually attend FYE, but campus project conflict, so hitting NASPA and also NSE (National Student Exchange) #sachat

6:45 pm debrasanborn Maybe ACUI??? #sachat

6:45 pm slhealy My current institution will fund part for undergrads to grad school seach and grads to job search. Pro staff is a no-no. #sachat

6:45 pm sethagler Bahhhh....wthashtag isn't working for me. Trying to join #sachat late!

6:47 pm slhealy @sethagler I attended more regional conferences in my first year as a way to get connected. #sachat

6:47 pm Geralyn5 @The_SA_Blog I'll jump on the tweeting bandwagon and tweet from #SEAHO the end of this month #sachat

6:48 pm bryan_koval If you have an interest in student conduct, I really recommend the ASCA Gehring Academy. Not cheap, but a really great opportunity. #SAchat

6:48 pm jmayojr @sethagler I went to #ACPA my 1st year it was the joint mtg in Orlando, almost 10,000 SApeeps & a rockstar (Al Gore) it was amazing #sachat

6:48 pm uppervalleymom Will try to catch the evening #sachat -- missed the daytime one while meeting with student discussion group leaders

6:48 pm edcabellon @sethagler Come to Boston for #ACPA10 :-)) (I'm a bit biased, but Boston is great!) #SAchat

6:48 pm pereirap80 @edcabellon I like how #acui has PD through hosting tourneys & events. I hosted '08 9-ball nationals #sachat

6:48 pm Geralyn5 ditto RT @slhealy: @sethagler I attended more regional conferences in my first year as a way to get connected. #sachat

6:49 pm edcabellon @pereirap80 If you consider yourself a "Community Builder", ACUI has the best PD sessions (even if you don't work in a Stu. Ctr) #SAChat

6:49 pm jmayojr @ameliahogan always tells me that PD & conferences are important even if you pay out of pocket, i agree #sachat

6:49 pm JenPaulin @sethagler I joined the conference comm for a state conference. It was great to get connected with shorter time frame commitment. #sachat

6:53 pm debrasanborn @AndreaHart I am trained, I can help. Yes, I am a #mbti practitioner for Step I and II. Learning styles, leadership, team dev. #sachat
