12:12 am jmajojr @The_SA_Blog local orgs like #PCHE and #PCPA, cheap and reliable, esp when I have to pay out of pocket #sachat

12:13 am edcabellon Hello to all new #SAchat folks. I'm Ed, Director of the Campus Center at Bridgewater State College. Excited to read your tweets! #sachat

12:13 am cindykane Most valuable pro dev resources: Twitter! ACPA's "About Campus", and I love sites that combine good sources for us in one place #sachat

12:13 am lorrizanne @inigral where in CA are you in? I'm in VT now, but originally went to UCSD. I miss it now! #sachat

12:13 am ARL275 he may be lurking right now because he's trying to get it, though he won't. everyone say hi to @esdahms! haha! :) #sachat

12:13 am tomkrieglstein Anyone else feel like blogs are much quieter than they used to be? My RSS seems dead for weeks. #sachat

12:13 am Geralyn5 @tomkrieglstein the blogs you all write, friends and networks in other places, state and regional orgs #sachat

12:13 am willistj good pro dev resource: attending candidate presentations for other depts. Good way to hear from "experts" on a timely topic #sachat

12:13 am debrasanborn @The_SA_Blog My best PD resources? Twitter, Twitter, Twitter. Colleagues. Grad School. Students. Journals. Conferences. #sachat

12:14 am Geralyn5 @esdahms HI!!! #sachat

12:14 am MikeBreitner Has anyone used StudentAffairs.com? I haven't ... #sachat

12:14 am inigral @lorrizanne NorCal. We're in Berkeley, but moving to San Francisco this month! We also have offices in Boston. #sachat UCSD = beautiful!

12:14 am debrasanborn @The_SA_Blog Oh yeah, blogging. (oops!) #sachat Great PD resource.

12:14 am jefflail @willistj good suggestion #sachat

12:14 am ARL275 @tomkrieglstein i never got into blogging - never knew what to write. but i always think about it. twitter is my blog! #sachat

12:14 am ReaAdvising #sachat Our team is trying to integrate tech more, so Twitter is PD to me too.

12:14 am cindykane Yup, I actually did some online classes for StudentAffairs.Com #sachat

12:15 am jmayojr RT @ARL275: @tomkrieglstein i never got into blogging - never knew what to write. but i always think about it. twitter is my blog! #sachat

12:15 am tomkrieglstein @cindykane Was showing live DAYTIME #sachat on a big screen this AM, was asked what % of SA ppl use it now? What would u answer?

12:15 am Geralyn5 @MikeBreitner I have been on SA.com oncw eor twice, but never found anything to really keep me coming back. #sachat

12:15 am ARL275 best prof dev: TWITTER! sachat! sachat people! article and blogs #sachat

12:15 am willistj also letting colleagues know what your interests are, as they come across thgs they forward them on. It like personal ref librarians #sachat

12:15 am MikeBreitner @Geralyn5 Thanks! Good to know. #sachat

12:16 am Geralyn5 @MikeBreitner *once or (sorry) #sachat

12:16 am cindykane @tomkrieglstein Percentage of people who use... what? #sachat

12:16 am edcabellon @The_SA_Blog My top PD sources: Twitter, Google Reader, online courses, staff, students, conferences and BLOGGING. #sachat

12:17 am ARL275 i have a blog, there's nothing posted on it #sachat

12:17 am edcabellon I also feel that teaching is a great form of PD, so whenever I can present on topics I'm passionate about, I take advantage of it. #sachat

12:17 am ARL275 @edcabellon what kind of online courses? #sachat

12:17 am tomkrieglstein @cindykane % of SA people are participating in PD on Twitter? #sachat

12:17 am inigral @ARL275 following experts in any field is great professional development. #sachat

12:17 am MikeBreitner @tomkrieglstein Even with 1,000+ people on the Fb Page, it still feels like a small fraction of SA professionals #sachat

12:17 am NASPAtweets Best pro dev is definitely the networks I made from conferences and graduate school. #sachat. Instant sounding boards with click of mouse.

12:17 am tomkrieglstein What are the dying forms of PD in SA? #sachat

12:18 am cindykane @tomkrieglstein I think it's just a few... maybe 10%? #sachat is increasing numbers though... I am confident in that!

12:18 am edcabellon @ARL275 <http://www.studentaffairs.com/> offers courses (which I know @CindyKane has taught) #sachat

12:18 am Geralyn5 I am a big fan of getting involved with other departments as well, serving on committees... Get to learn more about the big picture #sachat

12:18 am zackford ZackFord Blogs - Talking About LGBT Issues at Faith-Based Institutions (#CC10) - <http://is.gd/7IRou> #lgbt #highered #studentaffairs #sachat

12:18 am willistj a handful of my family is in higher ed. so when we meet up its like a symposium. kind of strange but good PD. #sachat

12:19 am tomkrieglstein @MikeBreitner I started with saying 1/4th, then said 1/8th, then went to 1/16th... ;-/ #sachat

12:19 am jmayojr @edcabellon I agree presenting is a great PD method, i did 3 this past weekend at a stu leader conf #sachat

12:19 am willistj dying forms: brown bags #sachat

12:19 am JenPaulin @edcabellon Agreed. I think I've learned as much (or more) from my presentation prep than the attendees learned from the session. #sachat

12:19 am edcabellon @ARL275 Also, if your college allows you to take classes for free as a staff member, you could take an online course! #sachat

12:19 am lorrizanne @The_SA_Blog Best PD has been through NASPA and ACPA, blogs, trainings on-campus, and #highered articles: <http://bit.ly/9IHZaD> #sachat

12:19 am cindykane Not a dying form... but the Chronicle is no longer the only game in town #sachat

12:19 am ARL275 % will increase FAST as millennials graduate into workforce RT @tomkrieglstein @cindykane SA ppl are participating in PD on Twitter? #sachat

12:20 am tomkrieglstein Dying Form: Print Trade Magazines ??? #sachat

12:20 am cindykane Presenting at other campuses is great PD also... keeps me on top of my game for sure! #sachat

12:20 am MikeBreitner I was thinking about the growth of #sachat Will the day come where so many people are tweeting that it becomes info overload. #sachat

12:21 am ARL275 @edcabellon i'm at a community college so most online classes are lower level gen eds #sachat

12:21 am cindykane Unfortunately for some of us...National Conferences might be a dying form of PD as budgets dwindle! #sachat

12:21 am tomkrieglstein What's to be said that in 1 week the @the_sa_blog Facebook Fan page has almost as many fans as #NACA? #sachat

12:21 am jmayojr #sachat --> RT @saramayo09: While my husband tweets the night away, I'm playing Mario kart

12:21 am ReaAdvising #sachat

12:21 am debrasanborn @MikeBreitner You mean it's not TMI, now? #sachat #sachat

12:21 am edcabellon @tomkrieglstein I agree. I think many of the pro assoc. that still put out "magazines" need to put that content online. #sachat

12:21 am pereirap80 So true! RT @cindykane: Unfortunately for some of us...National Conferences might be a dying form of PD as budgets dwindle! #sachat

12:21 am ARL275 @tomkrieglstein we still get TONS of them in my office. they all get recycled. get all info online #sachat

12:21 am willistj @tomkrieglstein i'd say print trade mags are dying if they cant provide electronic versions, but i still read/skim them cover-cover #sachat

12:21 am ReaAdvising Hashtag fail.#sachat Our prodev? Minimal conference funds.. We have been seeing more webinars, but struggle to find common population.

12:22 am inigral @MikeBreitner I don't see that day coming. I see it turning into a conference-type environment where most people get into sidebars #sachat

12:22 am NASPAtweets @cindykane National Conferences in their current form at least....no one said we can't go virtual! #sachat

12:22 am edcabellon @ARL275 What are you interested in learning more about that you'd be willing to do an online course? #sachat

12:22 am inigral @willistj yeah, even outside of higher ed - no one has time to sit down for a brown bag anymore. #sachat

12:22 am jmayojr @cindykane especially if a merger happens #sachat, could be less opportunities for face to face interaction

12:22 am MikeBreitner @debrasanborn Yes, there are times I need to read the transcript to catch things I missed #sachat

12:23 am cindykane @tomkrieglstein... LOL.... friends at #NACA are getting their social media act together. They gave me a cape already... #sachat

12:23 am inigral @cindykane how often do you do that? It sounds like it's great exposure and job security as well, networking at those campuses. #sachat

12:23 am ARL275 @cindykane we should cross present leadership presentations. a bit of a hike, but might be smthng 2 look into. bring some koolaid! #sachat

12:23 am tomkrieglstein @cindykane Presenting live is a special kind of PD and I love it! #sachat

12:23 am edcabellon RT @cindykane: @tomkrieglstein friends at #NACA are getting their social media act together. They gave me a cape already... #sachat

12:23 am tomkrieglstein @cindykane I figured if someone was going to whip them into shape, it'd be you :-) #sachat

12:23 am ARL275 RT @debrasanborn: @MikeBreitner You mean its not TMI, now? #sachat #sachat

12:24 am edcabellon @JenPaulin Teaching is the best form of learning :-) #sachat

12:24 am inigral @pereirap80 Good evening Pete! #sachat

12:24 am tomkrieglstein @ReaAdvising Where are you looking for your webinars? Do you have a central hub? #sachat

12:24 am jmayojr RT @EdCabellon: @JenPaulin Teaching is the best form of learning :-) #sachat <-- so true!!

12:24 am ARL275 @edcabellon anything and everything! #sachat

12:24 am cindykane @ARL275 @Inigral When webinars get easier to produce, we're going to be all over that... #sachat

12:25 am edcabellon @tomkrieglstein That this is a forum long time coming! #studentaffairs ppl want to connect in this format! #sachat

12:25 am tomkrieglstein RT @edcabellon: Teaching is the best form of learning [In the #sachat world, we are all teachers]

12:25 am ARL275 @tomkrieglstein i want to do more live presenting. have to get the guts and a forum for it outside of my campus #sachat

12:26 am claudinerenee My best form of PD has been writing/receiving a grant for a career leadership academy and then implementing the academy into being. #sachat

12:26 am lorrizanne webinars are amazing! i've done 4 in the past month! @TPEcanserv @UCSDalumni @NASPATweets #sachat

12:26 am edcabellon Webinars are dicey for me. Unless they're using the technology properly, it can get frustrating as a participant! #sachat

12:26 am claudinerenee RT @EdCabellon: @JenPaulin Teaching is the best form of learning :-) #sachat <-- so true!!

12:26 am MikeBreitner @tomkrieglstein Like we were talking, it would be nice to have a real-time white board. Maybe GWave when it works? #sachat

12:26 am princeje Sorry I'm late guys, had to make a run to @kerrdrug #sachat

12:27 am claudinerenee I'm not a fan of webinars unless they are SUPER DUPER...most of them aren't. #sachat

12:27 am NASPATweets @lorrizanne what makes a good webinar great? #sachat

12:27 am cindykane @EdCabellon Most definitely frustrating for a badly produced webinar. I had a good experience with Academic Impressions #sachat

12:27 am willistj serving in a volunteer role for prof orgs is also good PD #sachat

12:27 am lorrizanne @cindykane i see webinars just like in-person presentations: powerpoint and/or discussion #sachat

12:27 am ARL275 RT @claudinerenee: Im not a fan of webinars unless they are SUPER DUPER...most of them arent. #sachat

12:27 am tomkrieglstein @MikeBreitner I've be playing more and more with Gwave, I get it now, just needs some tweeks. #sachat

12:27 am pereirap80 @Inigral hello! I've been observing while playing w/ my daughter. My wife has nrhh meetings thurs nights - she's a res lifer #sachat

12:27 am tomkrieglstein @princeje Did you bring ice cream for all of us? #sachat

12:28 am Geralyn5 @edcabellon I feel like some don't think they have to engage their audience since they are not physically there #sachat

12:28 am ReaAdvising @tomkrieglstein We have subscribed to mostly NACADA hosted. Our office sees 8000+ students, 4 advisors. 1:150 students=luxury. #sachat

12:28 am princeje @tomkrieglstein No, but I have tacos. #sachat

12:28 am jmayojr RT @willistj: serving in a volunteer role for prof orgs is also good PD #sachat <-- #gradschool folks its never to early to start

12:28 am cindykane Being a presenter for a webinar is really wierd... I did my first one and I have more sympathy now! #sachat

12:28 am Ivanlysal Would it be wrong to participate in #sachat from a bar? ;)

12:28 am Geralyn5 @pereirap80 I advise NRHH at CNU! #sachat

12:28 am JenPaulin @edcabellon The worst is when it's a technology webinar and the technology isn't working! #sachat

12:29 am drkimber RT @tomkrieglstein: RT @edcabellon: Teaching is the best form of learning [In the #sachat world, we are all teachers]

12:29 am edcabellon @inigral For me, its making sure video and sound are working together online. I don't like having to call in to hear the presenter. #sachat

12:29 am willistj hey @pereirap80. i hear that im holding mine as i type while my wife works away. yea for #sachat dads multitasking

12:29 am lorrizanne @NASPAtweets for me, a great webinar gives participants questions to think about during and action steps after #sachat

12:29 am princeje RT @tomkrieglstein: RT @edcabellon: Teaching is the best form of learning [In the #sachat world, we are all teachers] #sachat

12:29 am inigral @cindykane when you did your 1st, was it scripted, or off the cuff? #sachat

12:29 am debrasanborn RT @tomkrieglstein: What's to be said that in 1 week the @the_sa_blog Facebook Fan page has almost as many fans as #NACA? #sachat

12:29 am MikeBreitner Nice! RT @tomkrieglstein: @MikeBreitner Ive be playing more and more with Gwave, I get it now, just needs some tweeks. #sachat

12:29 am ARL275 @cindykane i want to be able to see my audience - read them and adjust accordingly #sachat

12:29 am tomkrieglstein RT @the_sa_blog MOD: What about conferences? Are they still viable for PD given all the circumstances? #sachat

12:30 am ARL275 @Ivanlysal did someone say #sahappyhour? #sachat

12:30 am pereirap80 RT @willistj: hey @pereirap80. i hear that im holding mine as i type while my wife works away. yea for #sachat dads multitasking

12:30 am edcabellon @ARL275 We really should connect over the phone sometime :-) #sachat

12:30 am inigral @EdCabellon Got it. We used to do ours through Citrix Go2Webinar, and had issues. We've since switched to Cisco Webex. #sachat

12:30 am lorrizanne @jmayojr volunteering in what way? any particular venues you'd suggest? #sachat

12:30 am cindykane @willistj Serving in volunteer roles for #NACA was my best PD to date, bar none! Roles spanned outside of my job roles #sachat

12:30 am jacksonj hi #sachat friends

12:30 am debrasanborn RT @The_SA_Blog: MOD: What about conferences? Are they still viable for PD given all the circumstances? #sachat

12:30 am willistj @jmayojr AMEN! --> #gradschool folks its never to early to start volunteering #sachat

12:31 am MikeBreitner Hey Jeff #sachat

12:31 am ARL275 @tomkrieglstein as activities person, conferences are more for ideas and less prof dev. #sachat

12:31 am bigbuckeye RT @edcabellon: I also feel that teaching is a great form of PD, so whenever I can present on topics I'm passionate about, I take advantage of it. #sachat

12:31 am tomkrieglstein Webinar presenting is a unique beast. I'm learning to channel my inner @garyvee for now on #sachat

12:31 am princeje @debrasanborn I definitely believe so, even if it's just for networking which leads to pd #sachat

12:31 am Geralyn5 @tomkrieglstein I absolutely think they are! but as mentioned before with budgets, local is more viable #sachat

12:31 am debrasanborn @The_SA_Blog I think the biggest thing is expense. Between conference registration, flight, hotel, meals, you hit \$2K very quickly. #sachat

12:31 am ARL275 @edcabellon i think that could be arranged! #sachat

12:32 am edcabellon @the_sa_blog Conf. are still important for that face 2 face communication. #sachat captures essence of pro convo, which is why I love it!

12:32 am claudinerenee I hate when I 4get to include #sachat. I am such a blond.

12:32 am pereirap80 Having a partner is #studentaffairs is great pd. Especially now that we're at diff schools #sachat we can process & share together

12:32 am TimNekritz @cindykane Presenting Webinar = strange indeed. I'm used to seeing audience, reading their reactions. Their invisibility confounds. #sachat

12:32 am ARL275 @cindykane how did you get involved in that role? #sachat

12:32 am debrasanborn @jacksonj Hey, Jeff! #sachat

12:32 am cindykane @ARL275 From nice people in activities who helped me connect...like I will do for you :-) #sacht #sachat

12:33 am edcabellon @Geralyn5 Agreed. That's why I often like webinars that include a live video feed option. It helps create connections. #sachat

12:33 am claudinerenee @debrasanborn I hv managed to attnd conf by being involved - on exec brd for one org and div chair 4 #mwace - plus presenting #sachat

12:33 am pereirap80 RT @willistj: @jmajojr AMEN! --> #gradschool folks its never to early to start volunteering #sachat

12:33 am tomkrieglstein @claudinerenee I often put @sachat instead of #sachat. Who every @sachat is must be like WTHello

12:33 am thestacyface Heading home to catch the last bit of #sachat... Post-yoga zen is a good place.

12:33 am inigral @TimNekritz that's a great point. Talking to a screen can get quite awkward. #sachat

12:33 am princeje @claudinerenee use TweetChat, it automatically adds it for you #sachat

12:33 am jmajojr @lorrizanne when I was in #gradschool I got involved with #pcpa my 1st yr out I was conference co-chair w/ @ jdkoval #sachat

12:33 am MikeBreitner @The_SA_Blog Networking at conferences is still a valuable form of PD. Even if the ROI doesn't quite work out. #sachat

12:33 am edcabellon @JenPaulin Agreed! Have you folks in RLH experienced webinars like that? #sachat

12:33 am willistj @cindykane im finishing my 2yr term on the board for #ACUI and it has been eye opening and a huge learning experience #sachat

12:33 am ARL275 @cindykane i take back all mean things i said about #bsc and your koolaid! gimme a cup, i'll drink! #sachat

12:34 am edcabellon @inigral Sounds good. I'm looking forward to participating tomorrow in your webinar! #sachat

12:34 am princeje What would y'all recommend for an undergrad and conferences??? #sachat

12:34 am jmajojr State Chapters/NASPA regions & local orgs are a great way for #gradstudents to volunteer & contribute #sachat

12:34 am inigral @princeje Hey Jennifer! link to tweetchat? #sachat

12:34 am cindykane Anyone else out there having trouble getting connected in associations? #sachat

12:34 am tomkrieglstein What about regional meetups vs national conferences? #sachat

12:34 am princeje @inigral <http://tweetchat.com/room/sachat> #sachat

12:35 am ARL275 @inigral <http://tweetchat.com/room/sachat> #sachat

12:35 am tomkrieglstein RT @princeje: What would y'all recommend for an undergrad and conferences? #sachat

12:35 am edcabellon @bigbuckeye Thanks! What do you at THE Ohio State? #sachat

12:35 am cindykane The world of #sachat connects to many pieces of the #studentaffairs acronym list... we can help!

12:35 am JenPaulin @DebraSanborn @The_SA_Blog But the local ones or one days can still be a great opportunity. Many of them are inexpensive. #sachat

12:35 am edcabellon @ARL275 we'll have to arrange that soon :-) #sachat

12:35 am ARL275 @cindykane we go to regional confs 2x a yr and networking is tough with other profs. lots of time dedicated to students #sachat

12:36 am cindykane @princeje ACPA has a "next generation" conference, but I think regional opportunities are best for undergrads! #sachat

12:36 am inigral @tomkrieglstein Regionals seem to be more productive, since the likelihood of keeping in touch of the folks u meet there is higher. #sachat

12:36 am debrasanborn @JenPaulin Agreed! I take advantage of as many as I can on our campus. Lots on learning communities, advising. #sachat #sachat

12:36 am MikeBreitner @tomkrieglstein Regional is good to meet your nearby colleagues. Nationals are good to find demographically similar institutions #sachat

12:36 am lorrizanne @princeje I went to conferences as an undergrad and it helped to go to the precon @NASPATweets and @ACPACONVENTION (next generation) #sachat

12:36 am edcabellon @princeje what's your goal for attending said conference? #sachat

12:36 am reyjunco "Social media, student engagement, and success" Feedback? RT @DebraSanborn: @reyjunco Title? I may have missed out? #sachat #sachat

12:37 am ARL275 @princeje i'm student activities - i would say #APCA over #NACA, but that's my pref. anyone have suggestions for SGA conferences? #sachat

12:37 am reyjunco Yes! I can attend some of #sachat!

12:37 am claudinerenee @edcabellon That's right! Get it right:-) THE OHIO STATE UNIVERSITY! (Yes, I'm aware I work at Purdue but once a Buckeye... #sachat

12:37 am pereirap80 @princeje I liked naca when I was a student. ACUHO-I has an undergrad conf #sachat

12:37 am cindykane Find regional conferences send out info too late or don't send enough detail for me to know if it's worthwhile #sachat

12:37 am edcabellon Woot, hello Rey! RT @reyjunco: Yes! I can attend some of #sachat!

12:37 am tomkrieglstein I'm visualizing the future of PD being lean, small, quick, filtered #sachat

12:37 am ReaAdvising #sachat I often think that webinars should be heard by the upper eschelon who can dictate the strategies down the ranks. Feel powerless.

12:37 am reyjunco @inigral However, with tech, we can stay in touch with those very far away #sachat

12:37 am ARL275 @reyjunco i knew you wouldn't be able to stay away! #sachat

12:38 am JenPaulin @princeje If you're involved in res hall gov't SACURH has two conferences each year. #sachat

12:38 am desertjul RT @tomkrieglstein: Webinar presenting is a unique beast. I'm learning to channel my inner @garyvee for now on #sachat

12:38 am reyjunco I've actually never even met one of my research collaborators in person #sachat

12:38 am ARL275 RT @edcabellon: Woot, hello Rey! RT @reyjunco: Yes! I can attend some of #sachat! #sachat

12:38 am tomkrieglstein @reyjunco We kept your seat warm, we knew you'd be back. #sachat

12:38 am ARL275 RT @cindykane: Find regional conferences send out info too late or dont send enough detail for me to know if its worthwhile #sachat

12:38 am jmayojr @princeje i got involved with local/regional conferences it's a great way to start #sachat

12:38 am debrasanborn @reyjunco Is this the article we have chatted about or your FYE presentation? #sachat #sachat

12:38 am ARL275 @tomkrieglstein elaborate? #sachat

12:38 am claudinerenee #mwace offers a scholarship to #gradstudents interested in career services - basically all expenses paid to attend annual conference #sachat

12:39 am princeje @edcabellon Further exploring the field, beginning to network (beyond #sachat), getting a start on things I want to work with. #sachat

12:39 am edcabellon And personalized/focused! RT @tomkrieglstein: I'm visualizing the future of PD being lean, small, quick, filtered #sachat

12:39 am reneemw ahh, realized my tweets were protected. Reintroduction: Renee and I work in Residence Life #sachat

12:39 am Geralyn5 RT @jmayojr: i got involved with local/regional conferences it's a great way to start (agreed! Its how I met you!!) #sachat

12:39 am willistj @desertjul are you at NMSU? what do you do? Im an aggie ('03)!!! #sachat

12:39 am tomkrieglstein RT @the_sa_blog MOD: Do your higher ups understand/accept your forms of PD? #sachat (e.g. Twitter)

12:39 am cindykane @princeje Do you have a "specialty area" in mind that you'd want for your ideal grad assistantship? #sachat

12:40 am inigral @reyjunco true. I prefer natl. conferences for the change of scenery as well. And peeps from diff. areas bring diff. trends too. #sachat

12:40 am claudinerenee @reyjunco That's bc u do research on technology! #sachat

12:40 am pereirap80 Speaking of acpa vs naspa for new profs, I liked naspa more even tho they don't have the rep. I think they're trying hard to debunk #sachat

12:40 am edcabellon @princeje I would recommend #ACPA10 or #NASPA for this. Both offer many oportunities to connect and network in gen #studentaffairs #sachat

12:40 am jmayojr @Geralyn5 yeah & you won free registration to the following years conference, but you moved to VA #sachat)c=

12:40 am tomkrieglstein @edcabellon Yeah sorry, meant personal/focused as filtered. We're on the same page #sachat

12:40 am princeje @cindykane Leadership #sachat

12:41 am tomkrieglstein @ARL275 Thinking it's going to be the opposite of massive nationals conferences. #sachat

12:41 am princeje @edcabellon I'm actually presenting at NC's branch of ACPA's Leadership Conference for College Students this month. #sachat

12:41 am JenPaulin @princeje I did my grad work in VA, you might want to check out SACSA and SEAHO too. #sachat

12:41 am reneemw @princeje - focus on a type of leadership; e.g. with student activities, residence life, greek life, etc. #sachat

12:50 am JenPaulin @cindykane One of our support staff sits on our dept PD committee, but it's taken years to get them involved outside the office. #sachat

12:50 am ARL275 @MikeBreitner i've been holing it for 20 min now. cup of tea before chat = not the best idea i've ever had #sachat

12:50 am claudinerenee @reyjunco Yeah...I'm not so much a fan but I *LOVE* my job and she's a small part of it. I've started using "metrics" to show value. #sachat

12:51 am reneemw @cindykane our office of mission and identity provides PD for all on campus - including support staff; invited to same SA PD as FTEs #sachat
