12:08 am debrasanborn @ARL275 Fell into #studentaffairs too. Courtesy of a gig as a student ambassador for admissions office. #sachat

12:08 am shawnaclark7 I never planned on going into #studentaffairs until they told me I could essentially be an RA forever and get paid #sachat

12:09 am The_SA_Blog RT @reyjunco: Most #studentaffairs professionals started in another field. Remember, there's no such thing as undergrad program in student affairs #sachat

12:09 am frankmichael i'm at the beginning of mine and feel like i find some new career interest every day! #sachat

12:09 am ARL275 @Geralyn5 apply! go for it, then if you get an offer worry about the decision. you can always say no in the end #sachat

12:09 am reyjunco @Geralyn5 Without a doubt, you should apply for it #sachat

12:09 am The_SA_Blog RT @Geralyn5: ? to be answered when you get the chance - happy where I am, but an amazing sounding job came across my email - what to do? #sachat

12:09 am MichaelSCashman Greetings Folks. Michael Cashman, SUNY Plattsburgh (NY) Coordinator for Student Activities #sachat

12:10 am gracefama Hi All! Grace Fama from Binghamton University - Coordinator for Leadership Development #sachat

12:10 am reyjunco @Geralyn5 1. You should see if the grass is greener on other side; 2. You might actually be happier elsewhere; 3. Good prof. dev. #sachat

12:10 am cindykane I started in #studentaffairs thanks to a great advisor to our programming board in college. #sachat

12:10 am shawnaclark7 Oh, also, I'm Shawna and a first-year grad in higher ed with an assistantship in housing at Grand Valley in Michigan #sachat

12:10 am frankmichael @reyjunco my undergraduate experience (outside the classroom) was like a major in SA :) #sachat

12:10 am ARL275 I'm 100% positive that my undergrad student leadership is what got me my current job. def has nothing to do with SOCI degree #sachat

12:10 am Geralyn5 4th year as a pro, 1st year @ this institution - its not too soon? #sachat

12:11 am ARL275 RT @frankmichael: @reyjunco my undergraduate experience (outside the classroom) was like a major in SA :) #sachat

12:11 am MichaelSCashman how many times have you moved to obtain the job or track to that job you really want/ed? #sachat

12:11 am NASPAtweets Kaaryn here from NASPA...sorry I'm late, @debrasanborn held me up :-). Just kiddin'...be in and out as i need to pack for #NASPA10 #sachat

12:11 am ChrisMacDen @DebraSanborn I have some friends who have been very purposeful in their career. I was diagnosed poz my 1st yr out of grad school #sachat

12:11 am ARL275 @Geralyn5 you'll never know if you made the right decision until you know if there's a decision to even make #sachat

12:11 am gracefama RT @frankmichael: @reyjunco my undergraduate experience (outside the classroom) was like a major in SA :) #sachat

12:11 am Geralyn5 RT @frankmichael: @reyjunco my undergraduate experience (outside the classroom) was like a major in SA :) - I hear that! #sachat

12:12 am shawnaclark7 My degree is in "Diplomacy and Foreign Affairs" and with angry parents/students, I definitely find it useful to be diplomatic #sachat

12:12 am jenontheblock I never planned on being in academic advising... Thought I'd be a life long orientation/Greek lifer! #sachat

12:12 am tomkrieglstein Iphone + traveling = forced #sachat lurking today :-)

12:12 am cindykane I haven't moved much...been able to shape my roles on campuses to fit what I was looking for. #sachat

12:12 am gracefama I've been in my first job for almost 3 years, and I think I'm ready to move on #sachat

12:12 am ChrisMacDen RT @frankmichael: @reyjunco my undergraduate experience (outside the classroom) was like a major in SA :) #sachat

12:13 am frankmichael @tomkrieglstein welcome to my week at #acui2010 with unreliable wireless #sachat

12:13 am ARL275 @gracefama any particular reasons, or just ready for some new scenery? #sachat

12:13 am cindykane @jenontheblock You were driven out of it because of a horrid supervisor... oh, that was me.... #sachat :-)

12:13 am ARL275 can us non-afternooners get a recap? #sachat

12:13 am shawnaclark7 @gracefama how long should one expect to stay in their first position before moving up in rank or onto another school? #sachat

12:14 am ChrisMacDen I am in 6th year at Bryn Mawr. Longest position I've held #sachat

12:14 am jenontheblock I started in #studentaffairs b/c of my undergrad experience and being a sorority traveling consultant #sachat

12:14 am ARL275 @ChrisMacDen shortest? #sachat

12:14 am maribethJflakes @jenontheblock Greek life will always welcome you back #sachat

12:15 am gracefama @ARL275 I think I'm ready for the next challenge - and hopefully some warmer weather! #sachat

12:15 am reyjunco My role encompasses just about everything - student affairs, faculty, advising, administrative, etc #sachat

12:15 am owendrew I started mine after my RHA Adviser in undergrad said, "You know you can do this for a living." #sachat

12:15 am reyjunco @shawnaclark7 I would say you are ready to move up when it feels right. Typically 3-5 years in first position makes sense #sachat

12:15 am ericstoller @tobiasblake I don't think that they r being "purposefully degrading"; According 2 the article, they r arguing a perceived comparison #sachat

12:16 am gracefama @shawnaclark7 I'm not sure - the number I always had in my head was 2-3 yrs, but I think it's time when you're not developing #sachat

12:16 am ericstoller RT @reyjunco: My role encompasses just about everything - student affairs, faculty, advising, administrative, etc #sachat [ditto]

12:16 am shawnaclark7 @owendrew I totally understand having a mentor open up your eyes to the possibilities in this field #sachat

12:16 am debrasanborn @Geralyn5 I think you need to at least investigate the amazing job. You don't want to be saying "What If"; 5 yrs from now. #sachat

12:16 am Geralyn5 my VP of SA was the one who helped me realize I could do this as a career! I had no idea! #sachat

12:16 am ChrisMacDen @ARL275 1 year... Left position when I was diagnosed bc I freaked. It was first year out of Masters program #sachat

12:16 am ARL275 @owendrew i think every student leader needs someone to tell them that. so many don't know #sachat

12:16 am jenontheblock @cindykane You inspire me to make sure I stay involved! It was that Greek Life intern who changed my Yankees screensaver to the Sox #sachat

12:17 am reyjunco @ericstoller Yeah, I often feel more like a circus performer... oh wait, I AM a #sa professional #sachat

12:17 am cindykane There's no standard timeline for when to leave... if it's not working for you... you leave. We work too hard to stay if miserable!! #sachat

12:17 am The_SA_Blog Q @shawnaclark7: @gracefama how long should one expect to stay in a position before moving up in rank or onto another school? #sachat

12:17 am ChrisMacDen @ARL275 I had string of positions for 2 years #sachat

12:18 am MichaelSCashman I am working for my alma mater it presents certain opportunities and challenges. Anyone in a similar position? #sachat

12:18 am ChrisMacDen RT @cindykane: There's no standard timeline for when to leave... if it's not working for you... you leave. We work too hard to stay if miserable!! #sachat

12:18 am debrasanborn My first SA position was 5 yrs (included a promotion) 2nd a year (bad fit) grad school 1 yr, now 15 years at current. #sachat

12:19 am jenontheblock I've moved around a LOT, if anyone is worried about that or needs advice. But I've been at Ohio State for 7.5 years now #sachat

12:19 am NJTallman @MichaelSCashman I was recently...very interesting. #sachat

12:19 am frankmichael @michaelscashman i love my alma mater but knew that returning too quickly would probably be too difficult to navigate #sachat

12:19 am jenontheblock @maribethJflakes awwwwww thanks MJB-F #sachat

12:19 am debrasanborn NEVER thought I would stay that long, but continual new challenges and interim gigs keep it fresh. #sachat

12:19 am reyjunco RT @cindykane: There's no standard timeline for when to leave... if it's not working for you... you leave. We work too hard to stay if miserable!! #sachat

12:19 am The_SA_Blog RT @cindykane: There's no standard timeline for when to leave... if it's not working for you... you leave. We work too hard to stay if miserable!! #sachat

12:20 am The_SA_Blog Q @MichaelSCashman: I am working for my alma mater it presents certain opportunities and challenges. Anyone in a similar position? #sachat

12:20 am ericstoller My first SA gig was 2.5 years, then grad school for 2 more, 1 yr high ed consulting, & now almost 3 yrs in #academicadvising #sachat

12:20 am owendrew How long is a GREAT question. I am in my second position at my school. When you feel bored or your projects don't challenge you #sachat

12:20 am shawnaclark7 @MichaelSCashman I've considered going back to my alma mater sometime down the road, but for now I'm in another state #sachat

12:20 am reyjunco I've served on many search committees, one thing that raises a red flag is when applicant moves a lot #sachat

12:20 am MichaelSCashman RT @frankmichael: @michaelscashman i love my alma mater but knew that returning too quickly would probably be too difficult to navigate #sachat

12:20 am sarahhcraddock Sadly can't stay for #sachat, must feed in Chicago :)

12:20 am NJTallman Totally agree....RT @reyjunco: I've served on many search committees, one thing that raises a red flag is when applicant moves a lot #sachat

12:21 am jenontheblock Me 2 RT@ericstoller: RT@reyjunco: My role encompasses just about everything- student affairs, faculty, advising, administrative, etc #sachat

12:21 am debrasanborn @ChrisMacDen That would certainly present some soul searching challenges for any in SA #sachat Glad you are still in the field!

12:22 am debrasanborn @sarahhcraddock We can dine vicariously through you. :) #sachat

12:22 am ChrisMacDen My hubby is also in student affairs so we chose city that has lots if opportunities for both of us #sachat

12:28 am maribethJflakes Re: moving I agree w @jenontheblock i have moved around but can clearly articulate why and what I have learned #sachat

12:28 am reyjunco @gracefama It depends on your relationship with your employer. Good rule of thumb : don't say a word until youve got an offer #sachat

12:28 am smmccracken I agree w/Eric. Full disclosure burns fewer bridges! #sachat

12:29 am jenontheblock YES -CL RT @frankmichael: Is it important to proactively address short times in jobs or lots of movement in a CL or interview? #sachat

12:29 am shillis SA is a small field. Better that your employer hear it from you than from a colleague you didn't know they had! #sachat

12:29 am The_SA_Blog RT @Laila1920: How long did you stay in your first position? I am a new professional. I was thinking 3 years. #sachat

12:29 am frankmichael @laila1920 good question - i'm in the same boat as a new prof. #sachat

12:29 am NJTallman @Laila1920 I don't think you can put a time frame on it...you will know when it comes time. #sachat

12:29 am cindykane As an aside, I got surprised one year when an employer checked refs before inviting finalists to campus... #sachat

12:29 am ericstoller @smmccracken Eric who? ;-) #sachat

12:29 am Geralyn5 @Laila1920 I was in my first position for 3 years...and I knew it was time when I left #sachat

12:29 am debrasanborn @Laila1920 Two years in a new position is sound. 3 yrs is solid. #sachat

12:29 am ChrisMacDen RT @cindykane: As an aside, I got surprised one year when an employer checked refs before inviting finalists to campus... #sachat

12:30 am ericstoller @shillis I agree with you on that one. SA folks r very networked. Word gets around very quickly. Make sure you control the info flow #sachat

12:30 am smmccracken @NJTallman Will do! (not that I associate with the VCU "gods")... #sachat

12:30 am ChrisMacDen @cindykane I am surprised how many people do that #sachat

12:30 am shillis @maribethJflakes @jenontheblock i have moved around but can clearly articulate why and what I have learned #sachat [Me too!]

12:30 am cindykane You want to prove you can see a program through as a new pro... so hang in there if you can for 3 years! #sachat

12:30 am reyjunco @ChrisMacDen That's exactly what the interview is for #sachat

12:30 am NJTallman @smmccracken Haha...had an opportunity to work with him when we were both at Central Michigan U. #sachat

12:31 am smmccracken @ericstoller There can be only one... #sachat

12:31 am reyjunco @cindykane I've seen so many diff. ways. Not all search committees consider the impact on the applicant of checking ref's first #sachat

12:31 am MichaelSCashman I had the experience of needing to have the talk when going to another department on the same campus. Better 2 be up front. #sachat

12:31 am cindykane I learned to ask them "so, at what point in the search will you need references from my current employer?" #sachat

12:31 am jenontheblock @Laila1920 Almost 2 years... But left to go work with the fabulous @cindykane - you can't pass that up! #sachat

12:31 am owendrew @Laila1920 Res life for a 1.5 years. I had taken on advising roles for student groups which allowed me to expand my skill set. #sachat

12:32 am reyjunco No joke: I had a search committee check my references (I was employed in another position) and then never even got a phone interview #sachat

12:32 am debrasanborn Our campus will generally phone interview, then references, then campus invites, but you need to be on your toes. Others mix it up. #sachat

12:32 am JGinese23 @reyjunco ive seen a school sending a postcard thanking an applicant for applying. they sent it to his office! a POSTCARD #sachat

12:32 am smmccracken @NJTallman I figured...Everyone here is wondering when he's going to institute online classes... #sachat

12:32 am maribethJflakes @laila1920 i was in job 1 for 9 months... i thought i was a failure but it was the best dec. for me..5 years later i'm just fine :) #sachat

12:32 am jkilmer Sorry for being late - daughter wanted to play and not get in the bath - #sachat Jason - Assoc Dir, Student Affairs not my first #sachat

12:32 am The_SA_Blog RT @cindykane: I learned to ask them "so, at what point in the search will you need references from my current employer?" #sachat

12:32 am JGinese23 @debrasanborn do you tell the candidates in the phone interview that you will check references? #sachat

12:32 am Geralyn5 @JGinese23 I got one of those!! it was interesting! #sachat

12:33 am JGinese23 RT @cindykane: I learned to ask them "so, at what point in the search will you need references from my current employer?" #sachat

12:33 am shawnaclark7 Question - I am going to #NASPA10 this week for the conference portion, should I bring some resumes even if I'm not job searching? #sachat

12:33 am debrasanborn @reyjunco Ouch, that's harsh. #sachat

12:33 am JGinese23 @Geralyn5 hahah my friend was mortified. could not believe it. their institution didnt know they were searching. #sachat

12:33 am cindykane These are all reasons why we need just as much training for employers as we do for candidates!! #sachat

12:34 am reyjunco @JGinese23 Wow! Not cool. But like I said, I've seen a lot of crazy things #sachat

12:34 am NJTallman @smmccracken I am sure it will be soon...he is very bring man...very innovative. You (in my opinion) r very lucky to have him.#sachat

12:34 am reyjunco @shawnaclark7 Yes, without a doubt #sachat

12:34 am debrasanborn @JGinese23 Of course. We always indicate reference check prior to occurrence. #sachat

12:34 am cindykane @shawnaclark7 Never a bad idea to have a resume handy?! #sachat

12:34 am ericstoller I wonder if potential employers are Googling me? I think it's important to know how your name Googles, Bings and Yahoos. #sachat

12:34 am jkilmer @shawnaclark7 you never know what networking with produce opportunities... better to be prepared than caught off guard #sachat

12:35 am smmccracken @NJTallman I'm hoping. Our campus needs a good shake-up! #sachat

12:35 am JGinese23 RT @ericstoller:I think it's important to know how your name Googles, Bings and Yahoos. #sachat

12:35 am debrasanborn @shawnaclark7 Are you on LinkedIn? #sachat

12:35 am gracefama @shawnaclark7 As my dad says "You're always job searching"; - bring a few! #sachat

12:35 am ChrisMacDen I started updating resume last year #sachat

12:35 am frankmichael a colleague of mine likes to print out positions he's interested in and then leaves them in the copier tray. subtlety fail. #sachat

12:35 am jenontheblock I'm behind... I'm tweeting/ #sachat ing on the road in the middle of Nowhere

12:36 am owendrew @ericstoller I have been Googled by my current colleagues . Always be prepared for it. #sachat

12:36 am shillis @JGinese23 @reyjunco current supervisor called my office 2 offer & my supervisor at the time answered. Good thing he knew I applied! #sachat

12:36 am shawnaclark7 @debrasanborn no, I only just created a twitter account thanks to @slhealy five days ago #sachat

12:36 am The_SA_Blog RT @ericstoller: I wonder if potential employers are Googling me? I think it's important to know how your name Googles, Bings and Yahoos. #sachat

12:36 am JGinese23 the power of #sachat - mid migraine i couldn't help but get up and see what was going on live - didnt want to read the recap haha

12:36 am smmccracken @ericstoller But don't mention Google-ing yourself on your resume! We had a candidate do that... #sachat

12:36 am jkilmer @ericstoller yes - not all you's are you and so keeping something like an avatar consistent shows the right you #sachat

12:36 am ChrisMacDen We are looking for new Dean of the College. One candidate googled me, her potential supervisee #sachat

12:36 am reyjunco @shillis Again, surprised at how unprofessional that was, but not shocked #sachat

12:36 am shillis @ericstoller I wonder if potential employers are Googling me? I think it's important to know how your name Googles, Bings & Yahoos. #sachat

12:36 am reyjunco RT @gracefama: @shawnaclark7 As my dad says "You're always job searching"; - bring a few! #sachat

12:37 am frankmichael @ericstoller i totally agree on that front - same with facebook and all the privacy settings #sachat

12:37 am cindykane So, are there other ways we all know when it's time to leave a current job?! #sachat

12:37 am Geralyn5 @shillis @ericstoller - I just assume they are, and therefor google myself ALL the time :) #sachat

12:38 am ChrisMacDen Perhaps I'll bring a few to #NASPA10 #sachat

12:38 am m1hamilton I'm getting real-time search results at TweetGrid <http://tweetgrid.com/> #sachat

12:38 am reyjunco Totally appropriate RT @ChrisMacDen: We are looking for new Dean of the College. One candidate googled me, her potential supervisee #sachat

12:38 am ericstoller I always sign up for social media sites using my real name. Owning your own domain name helps too <http://bit.ly/google-eric-stoller> #sachat

12:38 am gracefama @cindykane If you hate coming to work every day - it's time to start looking #sachat

12:38 am Geralyn5 @cindykane I think when you are irritated by most things that the institution wants to do...you can't get on board with them #sachat

12:39 am shillis @geralyn5 @ericstoller I do the same...good to know your google history. Plus I'm a little vain ;) #sachat

12:39 am m1hamilton just popping in for a few between award bid prep 6 hour meeting #sachat

12:39 am The_SA_Blog As our topic includes "where do I go from here", would you mind a roll call on SA positions to show variety...? #sachat

12:39 am Geralyn5 @cindykane or when you vent ALL the time! #sachat

12:39 am Geralyn5 @shillis you vain? no way ;) #sachat

12:39 am JGinese23 @ericstoller just googled you - never saw a search on a higher ed prof that completely owned the first page of responses! kudos to u #sachat

12:39 am shillis When applying I usually ask around about the supervisor and co-workers. Just make sense #sachat

12:40 am m1hamilton complex coordinator (resident director) #sachat

12:40 am ChrisMacDen @reyjunco I was very impressed, I must say. She is my top choice #sachat

12:40 am gracefama @The_SA_Blog Coordinator for Leadership Development - 1st job #sachat

12:40 am debrasanborn RT @The_SA_Blog: As our topic includes "where do I go from here", would you mind a roll call on SA positions to show variety...? #sachat

12:40 am reyjunco Operate under this assumption - supervisor or supervisee, you will always get Googled #sachat

1:02 am frankmichael thanks everyone for the great #sachat @reyjunco i'm going to track down your book and dive in

1:02 am NJTallman Final thought...follow your heart, not your resume at times, for your next career move. #sachat

1:02 am JGinese23 ok so PhD and EdD needs writing skills - whats a good way to practice? blogging? #sachat
